

AQUAMARINA

The ultimate walk-in shower bath with removable seat lift.

AQUAMARINA

The AquaMarina is everything you could want for your bathing experience. The soft contours look and feel wonderful. The low threshold, the easy open door, the optional powered seat and the spacious glass surroundings are all designed for safety and ease of use.

Stand or stretch out in luxury and with complete peace of mind. The smooth, silent powered seat gently lifts you a full seventeen inches and softly down again. It is simple to operate with a touch control handset. And, with over 12 inches of water, you can enjoy a full deep bath again. Fitting in to the same space as your old bath, the elegant AquaMarina comes in a range of options to match your existing bathroom suite. With the seat removed, the bath can be used by all the family and the hydrotherapy option makes bathing truly enjoyable for all.
